Digital design student (DSAA) at École Estienne, after three years of graphic design studies (DN MADE) at ÉSAAT.
I'm looking for a full-time internship from February 15 to May 7, 2027.

Academic Background

Master 1 in Design Art Digital Design Specialization

DSAA DCN Estienne School 2026 - 2028

Cross-disciplinary program focused on experimenting with digital media and creative technologies to develop innovative projects.

Bachelor of Fine Arts in Graphic Design

DN MADE ÉSAAT 2023 - 2026

National Diploma in Arts and Design, specializing in connected media.

Languages

French (Native Speaker)
English (B2 TOEIC Level)

Work Experience

Noranim

2025

Visual Identity for Noranim Forum

Our team's proposal was chosen by Noranim to design the identity for the Forum Écoles Studios 2025. I played a key role in developing the event's visual identity under a commission from ÉSAAT.

Internship Experience

GRETA 2025

Communications Intern

During my three-month internship, I created printed materials like booklets and flyers, documented GRETA events through photography, and designed interactive forms to enhance advisors' note-taking while managing email campaigns using Sarbacane.

ÉSAAT Open Days

2025

Motion Design

I contributed to the visual identity for the 2025 ÉSAAT Open Days, a collaborative project focused on international relations, which included creating motion design elements.

Internship Experience

Nameshield 2019

Observation Internship

I completed a three-week observation internship at Nameshield, marking my initial professional experience in graphic design.
